

Academy Therapist Required

AFC Wimbledon Academy is looking to recruit a therapist for covering academy training sessions and matches. The role will include pitch side first aid, and assessment, treatment and rehabilitation of injured players. The majority of these sessions will be weekend and evenings and the appropriate applicant will need to be flexible and available during these periods.

Applicants are required to have a minimum of an undergraduate degree in Sports Therapy, Physiotherapy or Sports rehabilitation as well as a first aid qualification. A pitch side trauma qualification is favorable. Applicants will need to have a valid CRB check / DBS – this can be obtained through the club.

The successful applicant will need to be professional, show ability to work within the medical team, and show a strong willingness to learn.

This is a paid role. The therapist will be paid on a per-session basis, details available on request.

If you are interested, then please e-mail us a CV and cover letter to academymedical@afcwimbledon.ltd.uk. Please include the subject line “COVER THERAPIST VACANCY” in your email.
