

Charity Collection Submission – German Shepherd Rescue Elite

I would like to nominate German Shepherd Rescue Elite.

All those involved are volunteers who work very hard for the cause and every penny goes to rehabilitating and rehoming the dogs in their care.

They also provide advice and support where needed and follow up on all dogs after they have been rehomed. They are an excellent charity who always go that extra mile.

Fingers and paws crossed they are chosen.

Thanks.

Summary

German Shepherd Rescue Elite (GSRE) has been formed with the aim of rescuing, re-homing German Shepherd Dogs and educating people on the breed. GSRE is backed up by a team of unpaid volunteers who strive to aid and promote responsible ownership of the breed.

GSRE's aim is to be the prevention and not always the cure, through offering education on the lovely breed and how to look after these amazingly intelligent and energetic dogs. We not only look to re-home dogs but keep them in their original homes by offering training and behaviour advice.

Through our volunteers and website we want to inform people on all aspects of dog ownership before you decide to take the plunge especially as German Shepherd Dogs are a large working breed and are not suitable for everyone.

GSRE is a registered charity that works alongside many other reputable rescues which means that through team work and pulling together we can help even more dogs in need. To assist in this we are now a Full Member of the Association of Dogs and Cats Homes (ADCH) who promote best practice in animal welfare, and a member of the EU Dog and Cat Alliance who call for EU action to build a better Europe for dogs and cats.

We are a proactive charity with a common goal; the welfare of animals.
