

## Charity collection submission – Perseid School

I'd like to apply for one of your Charity Collection slots on behalf of The Friends of Perseid School (FOPS), registered charity number 298875.

Perseid is a school for children aged 3 – 19 years, all of whom have severe or profound learning difficulties, and many of whom have physical disabilities. The school achieved a third 'outstanding' OFSTED inspection in December 2015.

The Friends of Perseid School (or FOPS) is a small committee comprising parents and friends of the school – FOPS is a registered charity.

Along with ongoing items that FOPS funds such as theatre trips and presents from Santa, we are currently trying to raise money to create a Courtyard Garden for the Lower School and an outdoor activity area for the Upper School.
